2009

Dear Patron,

In December of this year, the Melrose Youth Ballet will continue its holiday tradition by presenting our fifteenth annual performance of *The Nutcracker*. The Melrose Youth Ballet is a non-profit community organization committed to giving youth the opportunity to learn, perform, and celebrate the gift of dance. This year we have over 122 dancers from 18 surrounding communities!

As a non-profit organization, we understand that the economic times are difficult. We ask that you support our endeavors by placing an ad in our Program Book. If you are one of the many businesses that placed an ad in last year's program, we thank you most sincerely. MYB'S *Nutcracker* 2009 will run for five performances December 18, 19, and 20 at Memorial Hall in Melrose. We anticipate a large audience representing Melrose and its many surrounding communities. A listing in this program will not only show your support of this wonderful holiday tradition, but it will also benefit your business as it will be distributed at no charge to every adult in the audience. Placing your ad early will guarantee placement in the program book.

Please use the attached form to place your ad (be sure to indicate if you are using last year's ad or if you are placing a new or different ad). Please return this form by October 28, 2009 to **MYB, Box 760862, Melrose, MA 02176**. Thank you for your support.

Sincerely,

Melrose Youth Ballet
